

Home Learning in KS2

Home Learning is important as it gives children the opportunity to become organised, confident and independent learners, which will help them throughout their time at school and into adult life

The Role of Parents/Carers:

- Hear your child read regularly and sign/date the Weekly Diary
- Endeavour to provide a peaceful, suitable place, where your child can complete the tasks set, usually with an adult
- Make it clear to children that you value their Home Learning activities; check that they are carried out regularly and are presented to a high standard
- Encourage and praise children as appropriate
- Become actively involved in joint activities - have fun together!
- Ensure that the Home Learning Books are returned to school each week

Project

For each cross-curricular project, we will send home a list of suggested activities that you can complete with your child. These might vary from research, making or creating something, to maybe visiting somewhere. Please choose a minimum of 3 activities over the half term and record this in the Home Learning Book.

Spellings

Each week there will be a spelling focus in class, teaching a new rule or pattern; encouraging children to explore different words and word families. There will then be a range of activities for the children to complete at home to help reinforce the learning in school.

Maths

Maths activities are set on a Monday. Your child will receive alternate Dig1t Games or a My Maths activity (online) to complete. Please tick/initial next to the date below when your child has completed the Maths activity. They may like to show any working out, record scores or stick photographs into this Book. The table below sets out which activity you will receive and when:

Autumn 1	Spring 1	Summer 1
6 th September: Dig1t Game	10 th January: Dig1t Game	19 th April: My Maths Task
13 th September: My Maths Task	17 th January: My Maths Task	25 th April: Dig1t Game
20 th September: Dig1t Game	24 th January: Dig1t Game	2 nd May: My Maths Task
27 th September: My Maths Task	31 st January: My Maths Task	9 th May: Dig1t Game
4 th October: Dig1t Game	7 th February: Dig1t Game	16 th May: My Maths Task
11 th October: My Maths Task		23 rd May: Dig1t Game
18 th October: Dig1t Game		
Autumn 2	Spring 2	Summer 2
1 st November: My Maths Task	21 st February: My Maths Task	6 th June: My Maths Task
8 th November: Dig1t Game	28 th February: Dig1t Game	13 th June: Dig1t Game
15 th November: My Maths Task	7 th March: My Maths Task	20 th June: My Maths Task
22 nd November: Dig1t Game	14 th March: Dig1t Game	27 th June: Dig1t Game
29 th November: My Maths Task	21 st March: My Maths Task	4 th July: My Maths Task
6 th December: Dig1t Game	28 th March: Dig1t Game	11 th July: Dig1t Game
13 th December: My Maths Task		

Bring your book into school to be checked every _____
