Literacy – Reading

Phonics

Little Wandle Letters and sounds revised is our systematic, synthetic phonics program (SSP)

Literacy – Reading

Making connections between the sounds of our spoken words and the letters that are used to write them down.

Literacy – Reading

Terminology

Phoneme: The smallest unit of sound that can be identified in words. 'sound'

Grapheme: A letter or group of letters used to represent a particular phoneme when writing. 'a sound written down'

Digraph: A grapheme using two letters to represent one phoneme. 'two letters, one sound' e.g. 'sh'

Trigraph: A grapheme using three letters to represent one phoneme. 'three letters, one sound' e.g. 'igh'

Literacy – Reading

Phonics

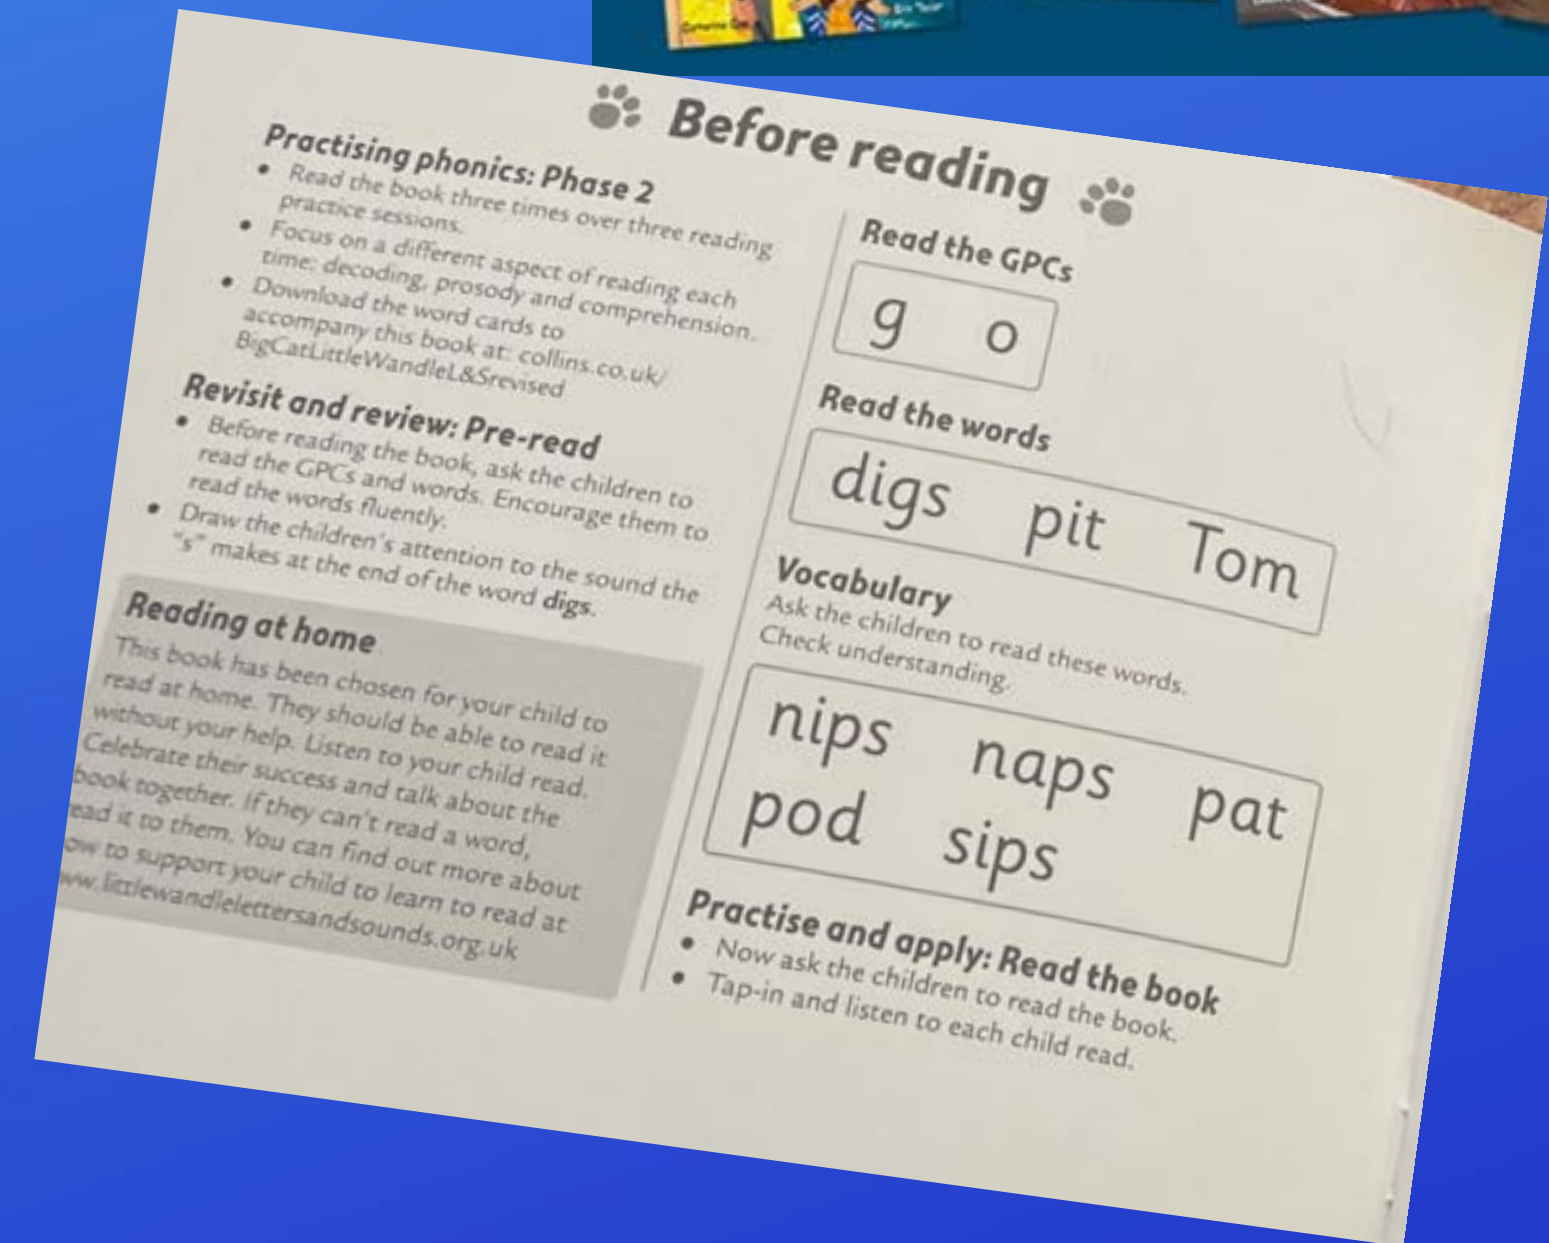

- Daily whole class phonics sessions
- Once children blending - they will have a reading book
- Group reading practice sessions 3 times a week
- Fluency/Prosody/Comprehension
- Keep up sessions- no child is left behind
- Consistent resources

READ

Literacy– Reading

Fully decodable books.
Children should be reading
at 95% fluency - this may
feel too easy but it develops
their confidence.

English – Reading

Reading enjoyment has been reported as more important for children's educational success than their family's socio-economic status.

Regularly reading stories or novels outside of school is associated with higher scores in reading assessments.

Reading for pleasure can improve general knowledge and help with other subject areas.

Reading for pleasure has emotional benefits.

- **We want every child to read every night.**
- **10 –15 minutes**
- **It can be a mixture of reading activities – child reading, adult reading to the child, listening to an audiobook, reading a comic etc.**
- **Record in Weekly diary**

Literacy– Writing

TalkforWriting™

“ Before children write they need to speak. We focus on:

- listening to and learning stories
- using and understanding new vocabulary

”

Literacy– Writing

- Children learn how to form the letters correctly

Spelling process:

- Say the word
- Segment the sounds
- Count the sounds
- Write them down

Let's watch an example...

Maths

Use White Rose scheme to cover all areas of the curriculum.

Focus on:

Number and numerical language

Numerical patterns

Home learning

- Sent home half-termly
- Activities linked to the project
- Send in any learning you have done at home

What will you choose to do?

- Go outside and see if you can spot any of these things in your garden or local park. Draw a picture of the place you visited.

 sunshine	 ladybird	 bumblebee
 butterfly	 flowers	 caterpillar

- Pick a daisy. Dismantle the daisy by pulling the flower off the stem. Then carefully remove the petals from the flower. Draw a picture of the daisy's parts and label them or stick the parts on some paper and label them.

Useful words

• flower	• leaf	• petal	• stem
----------	--------	---------	--------

- Sow some cress seeds in an empty eggshell filled with compost. You can even decorate the shell with a face. Observe the cress as it grows. Draw pictures/take photographs of the changes you see happening.
- Look at this picture of beautiful sunflowers. Create a sunflower painting or picture. You could visit the [CBeebies website](#) and listen to [Enna Gee's Adventures podcast](#). [Here comes the sunflower](#), as you paint or draw.

Upload pictures of your learning to Tapestry or bring it in to school to show your teacher.

What will you choose to do?

Birthday books

Why not buy a book to celebrate your child's birthday?

Find our Amazon wishlist on the school website.

The book will have a bookplate inside and will be presented to your child in assembly.
