# REÄÄD

# English – Reading

Reading enjoyment has been reported as more important for children's educational success than their family's socio-economic status.

Regularly reading stories or novels outside of school is associated with higher scores in reading assessments.

Reading for pleasure can improve general knowledge and help with other subject areas.

Reading for pleasure has emotional benefits.

- **We want every child to read every night.**
- **10 –15 minutes**
- **It can be a mixture of reading activities – child reading, adult reading to the child, listening to an audiobook, reading a comic etc.**
- **Record in Weekly diary**

**Help at home**

# English – Writing

- Varied texts linked to projects - build connections
- Learn whole or sections of texts and use this to create our own
