What We Did This 1/2 Term

This term we have been getting ready for Christmas. We have been making Christmas cards, decorations and we have written our Christmas lists to Santa. On our Christmas lists we had to write down what we have done to help others either in school or out of school which gave us a chance to share with everyone at XT all the things we have done to help our friends or family.

We also made iced biscuits using lots of sprinkles to decorate them before taking them home to enjoy!
