

Whole School Provision Map 2024-25

This Provision Map outlines the range of support, as needed by the pupils in our school. It is critical to ensure that pupils with additional needs, whether that be Special Educational Needs (SEN), English as an Additional Language (EAL) or disadvantaged students (PP), are supported effectively to make expected, and in some cases, accelerated progress. This Provision Map is correct as of September 2024 and may be subject to change.

- Wave One** is *Quality First Teaching*. All pupils are entitled to high-quality, personalised teaching and learning delivered by a teacher in the classroom. The majority of students needs will be met through this provision.
- Wave Two** are *additional short-term interventions* that are delivered by teachers or learning support assistants. Some pupils need additional, targeted support to remove barriers to learning and make progress. This is normally small-group interventions carried out for a specific length of time.
- Wave Three** are *long-term needs*. A few pupils in school have an Educational Health Care Plan (EHCP) or may need a high level of personalised support to make progress. Interventions are delivered by trained staff supported by the SENCo and outside agencies.

Cognition and Learning

Universal Provision <i>All</i>	Additional Provision <i>Some</i>	Personalised Provision <i>Few</i>
<p>A broad and balanced curriculum that provides challenge and high aspirations for all through differentiated planning, activities and delivery.</p> <p>Varied, engaging and multi-sensory teaching styles to suit the needs of all learners.</p> <p>Classrooms are well organised; resources are clearly labelled; increasing children’s independence.</p> <p>Clear learning focus - learning objective and success criteria are shared and revisited throughout the lesson.</p>	<p>Booster groups - smaller group teaching for English and Maths in some year groups.</p> <p>Increased visual aids, prompts and task boards to support learning.</p> <p>Learning Support Assistant in class for Maths and Literacy when children require additional support to access the curriculum.</p> <p>Additional 1:1 reading with an adult.</p> <p>Little Wandle keep up sessions – additional multi-sensory activities focusing on developing phonics knowledge.</p>	<p>Directed Learning Support Assistant time on 1:1 basis for children with EHCP’s (Educational Health Care Plans) or high need SEN support to access the curriculum.</p> <p>Advice from local Outreach teams.</p> <p>Referrals and interventions from outside agencies such as EP/STIPS/OT/SALT.</p> <p>Specialised training for some adults to deliver specific interventions e.g. intensive Speech and Language support.</p> <p>Regular meetings with parents to monitor progress.</p>
