SEND Policy

SEND Policy

1. Aims:

- Our SEND Policy and Information Report aims to set out how our school will:
 - Support and make provision for pupils with special educational needs and disabilities (SEND)
 - Provide pupils with SEND access to all aspects of school life so they can engage in the activities of the school alongside pupils who do not have SEND
 - Help pupils with SEND fulfil their aspirations and achieve their best
 - Help pupils with SEND become confident individuals living fulfilling lives
 - Communicate with pupils with SEND, and their parents or carers, and involve them in discussions and decisions about support and provision for the pupil
 - Explain the roles and responsibilities of everyone involved in providing for pupils with SEND
- Manorcroft Primary School respects the unique contribution which every individual makes to our school community. We seek to embrace the highest possible academic aspirations and personal development while recognising differences in ability, aptitude and level of skills across the curriculum.
- We believe that securing emotional wellbeing is paramount to achieving this and work to ensure this vital thread runs alongside all our learning and development.

2. Legislation & Guidance:

- This policy and information report is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:
 - [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEN and disabilities
 - [The Special Educational Needs and Disability Regulations 2014](#), which sets out schools' responsibilities for Education, Health and Care Plans (EHCPs), SEN Co-ordinators (SENCOs) and the SEND information report
 - The [Equality Act 2010](#) (section 20), which sets out the school's duties to make reasonable adjustments for pupils with disabilities
 - The [Public Sector Equality Duty](#) (section 149 of the Equality Act 2010), which set out the school's responsibilities to eliminate discrimination, harassment and victimisation; and advance equality of opportunity and foster good relations between people who share a protected characteristic (which includes having a disability) and those who don't share it
 - The [School Admissions Code](#), which sets out the school's obligation to admit all pupils whose Education, Health and Care Plan (EHCP) names the school, and its duty not to disadvantage unfairly children with a disability or with special educational needs

3. Definitions:

3.1 Special Educational Needs and Disabilities (SEND)

- A pupil has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for them.
- They have a learning difficulty or disability if they have:
 - A significantly greater difficulty in learning than the majority of others of the same age, or
 - A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools
- Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

3.2 Disability

- Pupils are considered to have a **disability** if they have a physical or mental impairment that has a substantial and long-term adverse effect on their ability to do normal daily activities.
- The school will make reasonable adjustments for pupils with disabilities, so that they are not at a substantial disadvantage compared with their peers.

3.3 The 4 Areas of Need

- The needs of pupils with SEND are grouped into 4 broad areas. Pupils can have needs that cut across more than 1 area, and their needs may change over time.
- Interventions will be selected that are appropriate for the pupil’s particular area(s) of need, at the relevant time.
- The ‘Whole School Provision Map’ outlines the range of support available to all/some/few children in regard to each of the areas of need.

Area of Need	Details
Cognition & Learning	<ul style="list-style-type: none"> • Pupils with learning difficulties usually learn at a slower pace than their peers • A wide range of needs are grouped in this area, including: <ul style="list-style-type: none"> ➢ Specific learning difficulties, which impact 1 or more specific aspects of learning, such as: dyslexia, dyscalculia and dyspraxia ➢ Moderate learning difficulties ➢ Severe learning difficulties • Profound and multiple learning difficulties, which is where pupils are likely to have severe and complex learning difficulties as well as a physical disability or sensory impairment
Communication & Interaction	<ul style="list-style-type: none"> • Pupils with needs in this area have difficulty communicating with others - they may have difficulty understanding what is being said to them, have trouble expressing themselves, or do not understand or use the social rules of communication • Pupils who are on the autism spectrum often have needs that fall in this category
Emotional, Behavioural & Social Needs	<ul style="list-style-type: none"> • These needs may reflect a wide range of underlying difficulties or disorders • Pupils may have: <ul style="list-style-type: none"> ➢ Mental health difficulties such as anxiety, depression or an eating disorder ➢ Attention deficit disorder, attention deficit hyperactive disorder or attachment disorder ➢ Suffered adverse childhood experiences • These needs can manifest in many ways, for example as challenging, disruptive or disturbing behaviour, or by the pupil becoming withdrawn or isolated
Physical & Sensory Needs	<ul style="list-style-type: none"> • Pupils with these needs have a disability that hinders them from accessing the educational facilities generally provided • Pupils may have: <ul style="list-style-type: none"> ➢ A sensory impairment such as vision impairment, hearing impairment or multi-sensory impairment ➢ A physical impairment • These pupils may need ongoing additional support and equipment to access all the opportunities available to their peers

4.5 Class Teachers

Each class teacher is responsible for:

- Planning and providing high-quality teaching that is differentiated to meet pupil needs through a graduated approach.
- The progress and development of every pupil in their class.
- Working closely with any Learning Support Assistants (LSAs) or specialist staff to plan and assess the impact of support and interventions and how they can be linked to classroom teaching.
- Working with the SENCo to review each pupil's progress and development and decide on any changes to provision.
- Ensuring they follow this SEND policy.
- Communicate regularly with parents and carers to:
 - Set clear outcomes and review progress towards them
 - Discuss the activities and support that will help achieve the set outcomes
 - Identify the responsibilities of the parent, the pupil and the school
 - Listen to the parents' concerns and agree their aspirations for the pupil

4.6 Parents and Carers:

- Parents/carers should inform the school if they have any concerns about their child's progress or development.
- Parents/carers of a pupil on the SEND register will always be given the opportunity to provide information and express their views about the pupil's SEND and the support provided. They will be invited to participate in discussions and decisions about this support. They will be:
 - Invited to termly meetings to review the provision that is in place for their child
 - Asked to provide information about the impact of SEND support outside school and any changes in the pupil's needs
 - Given the opportunity to share their concerns and, with school staff, agree their aspirations for the pupil
 - Given an annual report on the pupil's progress
- The school will take into account the views of the parent/carer in any decisions made about the pupil.

4.7 The Pupil

- Pupils will always be given the opportunity to provide information and express their views about their SEND and the support provided. They will be invited to participate in discussions and decisions about this support. This might involve the pupil:
 - Explaining what their strengths and needs are
 - Contributing to setting targets or outcomes
 - Attending review meetings
 - Giving feedback on the effectiveness of interventions
- The pupil's views will be taken into account in making decisions that affect them, whenever possible.

5. Our Approach to SEND Support

5.1 Identifying Pupils with SEND and Assessing their Needs

- We will assess each pupil's current skills and levels of attainment when they start at Manorcroft. This will build on information from previous settings and Key Stages, where appropriate. We will also consider any evidence that the pupil may have a disability and if so, what reasonable adjustments the school may need to make.
- Class teachers will regularly assess the progress of all pupils and identify any whose progress:
 - Is significantly slower than that of their peers starting from the same baseline
 - Fails to match or better their previous rate of progress
 - Fails to close the attainment gap between them and their peers
 - Widens the attainment gap
- This may include progress in areas other than attainment, for example, wider development or social needs.
- When teachers identify an area where a pupil is making slow progress, they will target the pupil's area of weakness with differentiated, high-quality teaching. If progress does not improve, the teacher will raise the issue with the SENCo to have an initial discussion about whether this lack of progress may be due to a special educational need. Where necessary they will, in consultation with the pupil's parents or carers, consider consulting an external specialist.
- Slow progress and low attainment will not automatically mean a pupil is recorded as having SEND.
- Potential short-term causes of impact on behaviour or performance will be considered, such as bullying or bereavement. Staff will also take particular care in identifying and assessing SEND for pupils whose first language is not English.
- When deciding whether the pupil needs special educational provision, we will start with the desired outcomes, including the expected progress and attainment, and the views and the wishes of the pupil

and their parents. We will use this to determine the support that is needed and whether we can provide it by adapting our core offer, or whether something different or additional is needed.

- If a pupil is joining the school, and:
 - Their previous setting has already identified that they have SEND
 - They are known to external agencies
 - They have an EHCP

then the school will work in a multi-agency way to make sure we get relevant information before the pupil starts at school, so support can be put in place as early as possible.

5.2 Consulting and Involving Pupils and Parents

- The school will put the pupil and their parents at the heart of all decisions made about special educational provision.
- When we are aiming to identify whether a pupil needs special education provision, we will have an early discussion with the pupil and their parents. These conversations will make sure that:
 - Everyone develops a good understanding of the pupil’s strengths and needs
 - We take into account any concerns the parents have
 - Everyone understands the agreed outcomes sought for the child
 - Everyone is clear on what the next steps are
- Notes of these early discussions will be added to the pupil’s record and given to their parents.
- We will formally notify parents if it is decided that a pupil will receive special educational provision.

5.3 The Graduated Approach to SEND

- Once a pupil has been identified as having SEND, we will take action to remove any barriers to learning, and put effective special educational provision in place. This support will be delivered through successive rounds of a 4-part cycle known as the graduated approach.

Graduated Approach	Details
1. Assess	<ul style="list-style-type: none"> • The pupil’s class teacher and the SENCo will carry out a clear analysis of the pupil’s needs. The views of the pupil and their parents will be taken into account. The school may also seek advice from external support services. • The assessment will be reviewed regularly to help make sure that the support in place is matched to the pupil’s need. For many pupils, the most reliable way to identify needs is to observe the way they respond to an intervention.
2. Plan	<ul style="list-style-type: none"> • In consultation with the parents and the pupil, the teacher and the SENCo will decide which adjustments, interventions and support will be put into place, the expected outcomes, and a clear date for review. • All staff who work with the pupil will be made aware of the pupil’s needs, the outcomes sought, the support provided and any teaching strategies or approaches that are needed. This information will be recorded on SIMs/CPOMs and SEND Support Arrangements (SSA) written and put in place. • Parents will be fully aware of the planned support and interventions, and may be asked to reinforce or contribute to progress at home.
3. Do	<ul style="list-style-type: none"> • The pupil’s class teacher retains overall responsibility for their progress. • Where the plan involves group or 1-to-1 teaching away from the main classroom, the teacher still retains responsibility for the pupil. They will work closely with any LSAs or specialist staff involved, to plan and assess the impact of support and interventions and how they can be linked to classroom teaching.

	<ul style="list-style-type: none"> • The SENCo will support the teacher in further assessing the pupil’s particular strengths and needs, in problem solving and advising on how to implement support effectively.
4. Review	<ul style="list-style-type: none"> • The effectiveness of the support and interventions and their impact on the pupil’s progress will be reviewed in line with the agreed date. • We will evaluate the impact and quality of the support and interventions. This evaluation will be based on: <ul style="list-style-type: none"> ➤ The views of the parents and pupils ➤ The level of progress the pupil has made towards their outcomes ➤ The views of teaching staff who work with the pupil • The teacher and the SENCo will revise the outcomes and support in light of the pupil’s progress and development, and in consultation with the pupil and their parents.

5.4 Levels of Support

- School Based SEND Provision:
 - Pupils receiving SEND provision will be placed on the school’s SEND register. These pupils have needs that can be met by the school through the graduated response. Where the pupil’s needs cannot be adequately met with in-house expertise, staff will consider involving an external specialist as soon as possible.
 - The provision for these pupils is funded through the school’s notional SEND budget.
 - On the census these pupils will be marked with the code K.
- Education, Health and Care Plan (EHCP):
 - Pupils who need more support than is available through the school’s school-based SEND provision may be entitled to an EHCP. The plan is a legal document that describes the needs of the pupil, the provision that will be put in place, and the outcomes sought.
 - The provision for these pupils will be funded from the school’s notional SEND budget, and potentially from the LA (from the high-level needs funding block of the dedicated schools grant).
 - On the census these pupils will be marked with the code E.

5.5 Evaluating the Effectiveness of SEND Provision

- We evaluate the effectiveness of provision for pupils with SEND by:
 - Tracking pupils’ progress, including by using provision maps
 - Carrying out the review stage of the graduated approach in every cycle of SEND support
 - Using pupil questionnaires
 - Monitoring by the SENCo
 - Holding annual reviews for pupils with EHCPs
 - Getting feedback from the pupil and their parents

6. Links With External Professional Agencies

- The school recognises that it won’t be able to meet all the needs of every pupil. Whenever necessary the school will work with external support services such as:
 - Specialist Teachers for Inclusive Practice (STIPs Team)
 - Speech and language therapists (SALT)
 - Educational psychologists (EP)
 - Occupational therapists (OT) or physiotherapists
 - General practitioners or pediatricians
 - School nurses
 - Child and adolescent mental health services (CAMHS)
 - Primary Mental Health Team (PMHT)
 - Inclusion Officers

- Children's Services

7. Admission Arrangements

- The admission arrangements for all pupils are in accordance with national legislation, including the Equality Act, 2010. This includes children with an EHCP, as well as those who do not.
 - In alignment with the Surrey Admission Arrangements, '*Children with an EHCP that names a school will be allocated a place before other children are considered*'
 - For children without an EHCP, provided there is a place available within the appropriate year group, all children will be admitted, regardless of learning ability or need
- If the child is making an in-year transfer from another school, SEND paperwork should be passed on by the feeder school as soon as possible.
 - A meeting may be set up by the SENCo with the feeder school, to discuss provision arrangements and aid a smooth transition for the pupil and their family
 - All children with SEND will be closely monitored to ensure that all of the appropriate provisions are in place

8. Accessibility Arrangements

- A copy of the school Accessibility Plan is available upon request. It includes details on:
 - How pupils with disabilities can participate in the school curriculum
 - How we are improving and maintaining the school's physical environment to increase the extent to which pupils with disabilities can take advantage of the education, benefits, facilities and services on offer
 - How we are improving the availability of accessible information to pupils with a disability
 - The steps we have taken to prevent disabled pupils from being treated less favourably than other pupils
 - The facilities we provide to help disabled pupils access the school, including the provision of auxiliary aids and services
- For further details on how we ensure all pupils have access to a broad and balanced curriculum, and are encouraged to participate fully in school life, please see our SEND Information Report and Whole School Provision Map.

9. Evaluating the Effectiveness of the Policy

- We will evaluate how effective our SEND provision is with regards to:
 - All staff's awareness of pupils with SEND at the start of the Autumn Term
 - How early pupils are identified as having SEND
 - Pupils' progress and attainment once they have been identified as having SEND
 - Whether pupils with SEND feel safe, valued and included in the school community
 - Comments and feedback from pupils and their parents

10. Monitoring Arrangements:

- This policy and information report will be reviewed by the SENCo every year. It will also be updated if any changes to the information are made during the year.
- It will be approved by the Governing Body.
