JOIN THE PTA

Without new volunteers the PTA will not continue!

- The PTA is what we make it! We run events we feel are fun, easy to run, & suit our strengths.
- We are committed to supporting each other & will only go ahead with events that we are available for & capable of running smoothly.
- We always invite ideas & feedback - there are plenty of opportunities to get involved, as much or as little as you can.
- As a team of only 4 parents on the committee, this last year has been challenging to organise & run events for the children, & raise funds for the school - any support is always welcome!

Please consider joining the PTA - the bigger the team, the easier it is!
