

Manorcroft Primary School

Weekly Bulletin

Spring Term 2026, Week 2

Community Grants - Heads up! The school is currently in both the Tesco and Waitrose community grant schemes! If you're shopping in either of the stores locally in Egham, please vote for us! We're hoping to be awarded grants to support with the ongoing development of the outside spaces.

Woodland Skills - This half term our Woodland Skills focus is all about using tools. Please see the letter that was sent home at the start of the week for full details and the dates for each class. Just a reminder that all children will need to come to school wearing warm, waterproof clothing when it is their turn, with their outdoor shoes/boots in a separate bag. Children should **not** be wearing jeans, as they get cold and damp very quickly.

Term Dates 2026-27 - Some of you may have noticed that Surrey are changing the holiday dates in 2026-27. They are introducing a 2 week October Half Term and reducing the length of the summer holidays. The dates are available on the [website](#) for you to see. We have not yet finalised when the 5 INSET days will be next academic year but will let you know in due course.

Science Workshops - There have been a number of science focused workshops across the school since the start of term. Y4 started this week by exploring the world of 'sound' - there were lots of exciting experiments going on in the Hall as they spent the day launching their new project. We've also been fortunate to have been visited twice by Dr. Metcalfe from Magna Carta School. Last week Y5 got to take part in a 'Bath Bombs' workshop and then this week Y3 had a 'Forces' workshop with him. We're incredibly lucky that he freely gives of his time and expertise to come and work with our children, providing all the resources, at no cost to us.

Class Assemblies - Over the course of the Spring and Summer terms, each class will hold their 'class assembly'. We started today with Y6 Cambridge. Please check the 'Diary Dates' to see when your child's class is. All assemblies are held on a Friday afternoon, at 2.45pm in the Hall and last about 15 mins. Parents can access the school site from 2.35pm.

Golden Wellies Award - This week the damp weather hasn't put us off! The children have been outside enjoying the rain and the mud(!), and one group of boys in particular used their skills to successfully build a den for shelter. Congratulations to: Teddy (Y6), Charlie (Y6), Theo (Y6), Hector (Y6) Owen (Y5) and Taim (Y3). They all worked together and it was great to observe.

Coming Up Next Week

Monday: Y4 Water Workshops
Tuesday: Y1 Woodland Skills
Wednesday: Y4 Swimming
Thursday: Y5 Fire Safety Workshops
Friday: Y2 Woodland Skills
Y6 Oxford Class Assembly
