## Weekly Bulletin

Spring Term 2026, Week 4

**Community Grants** - Heads up! The school is currently in both the Tesco and Waitrose community grant schemes! If you're shopping in either of the stores locally in Egham, please vote for us! We're hoping to be awarded grants to support with the ongoing development of the outside spaces.

**Young Carers** - Every school has a number of children on roll who are classed as 'Young Carers'. These are young people who have caring or supporting roles for family members or friends, with physical or mental health problems or disabilities, or drug or alcohol problems. Within school we are developing our support for Young Carers and this half term we have launched our KS2 Young Carers Club. Our lead staff are Sara Hester (SENCo) and Tracy Betteridge (HSLW), people who our children and families know well. They will liaise with children, families and staff in order to ensure that pupils who are carers are able to achieve and to enjoy their education.

The school is in contact with 'Surrey Young Carers', a charity to whom the school can refer to for further assistance. If your family is affected by any of the issues mentioned above, and you and your child would like support, please contact us through the school office ([info@manorcroft.surrey.sch.uk](mailto:info@manorcroft.surrey.sch.uk)) so that we can arrange to talk. If no help is required at this time, we would still appreciate you sharing any circumstances that may have an impact upon your child's education as they progress through the school. This will allow us to be aware and offer support as required. Anything you do tell us will be treated sensitively and will not be shared without your knowledge. A copy of the school's Young Carer Policy, which provides further details, is available upon request.

**Golden Wellies Award** - Mrs Tree-Patel has spent time recently rejuvenating our gravel area and has created a whole new dinosaur zone. A big shout out to Izzy and Jennifer in Y5 Cardiff for embracing the area and creating their own Jurassic Park. Great to see!
