## Weekly Bulletin

Spring Term 2026, Week 5

**Community Grants** - Heads up! The school is currently in both the Tesco and Waitrose community grant schemes! If you're shopping in either of the stores locally in Egham, please vote for us! We're hoping to be awarded grants to support with the ongoing development of the outside spaces.

**Safeguarding Update** - The Ivison Trust (formerly Pace) is a national charity working to keep children safe from exploitation by supporting parents, disrupting exploiters, and working in partnership with police and family services. Their work is grounded in a trauma-informed, family-centred approach.

During March 2026, the Ivison Trust is delivering a series of live webinars for parents and carers focused on county lines and criminal exploitation. The sessions help parents understand how exploitation happens, how children are groomed, what warning signs to look out for, and where to access advice and support. Each webinar includes local context, time for questions, and input from a parent with lived experience. More information and booking details are available at: <https://ivisontrust.org.uk/webinars/>

**School Council Fun Day** - Coming up next Friday (13<sup>th</sup> February) is the School Council 'Fun Day' - a letter was sent home earlier this week with the full details. If the children would like to take part, then they are welcome to come to school in mufti (home clothes). The School Council have planned a day of fun activities, which also involves hot chocolate and popcorn; they are asking for a £2 donation, as they are planning to help support with our OPAL resources outside.

**Golden Wellies Award** - It has been a very wet week in school, which sadly looks to continue into next week. Three children bravely set off in the rain yesterday to help Mrs Tree-Patel with moving all the blue barrels across the field. A muddy activity from the sounds of it! Thanks to Sara, Freya and Charlie in Y6!
