

Manorcroft Primary School

Weekly Bulletin

Spring Term 2026, Week 8

Community Grants - Heads up! The school is currently in both the Tesco and Waitrose community grant schemes! If you're shopping in either of the stores locally in Egham, please vote for us! We're hoping to be awarded grants to support with the ongoing development of the outside spaces.

World Book Day - Thank you to everyone who supported the children yesterday with their amazing costumes. The range of ideas and creativity across the school was incredible - it was very hard for the teachers to choose a class winner! We also had two visiting authors this week - Cath Howe worked with KS2 children on the Monday and Tim Knapmann worked with YR and KS1 children yesterday. Both visits were funded by the PTA - so a huge thank you to them!

PTA Shopping Room - Today has seen our annual 'Wonderful Women' shopping room for Mother's Day. A huge thank you to the PTA volunteers who organised the experience and gave up their time this morning. Events like this can't take place without their help.

Mobile Phones - A really common question that schools often get asked is, 'When is a child ready for a mobile phone, and how can families manage the risks?' The NSPCC have written a really helpful guide for parents, which is balanced, contains practical advice on readiness, boundary-setting and, parental controls, and also offers guidance about the ongoing conversations around safety and responsible use. <https://www.nspcc.org.uk/keeping-children-safe/online-safety/children-phones-online-safety/>

Science Day - Don't forget, next Tuesday is Science Day at school. No need for a costume this year - we're concentrating on the actual science! Lots of exciting things have been organised including a poster competition. See the letter that went home earlier this week from Mrs Hayward, for the full details.

Golden Wellies Award - This week we have had a group of children who have been busy creating a 'museum of treasures' out on the table tops. They have been collecting a variety of items to showcase and it has been great to observe. Well done to Finn, Freddie, Jessie, Samay, Julek, Louie and Reggie (all in Y4) and a special mention to Jess in Y1, who went to help!

Coming Up Next Week

Monday: Cricket Coaching - Y4, Y5 & Y6
Y3 Woodland Skills

Tuesday: Science Day

Wednesday: Y4 Dentist Visit
Y4 Swimming
Y5 Hockey Festival
Parents Evening, 3.30 - 6.30pm
