Weekly Bulletin

Spring Term 2026, Week 10

Community Grants - Heads up! The school is currently in both the Tesco and Waitrose community grant schemes! If you're shopping in either of the stores locally in Egham, please vote for us! We're hoping to be awarded grants to support with the ongoing development of the outside spaces.

Science Day - Just a reminder that all entries should be submitted to Mrs Hayward by **Thursday 26th March**. We will then select the best five in each category and submit them. Full details of the competition were on the original Science Day letter, sent home at the beginning of March, or they can be found here: www.britishecienceweek.org/plan-your-activities/poster-competition/

Rocksteady - This week saw our Spring Term Rocksteady concerts. Well done to all the children who took part - the rest of the school and parents thoroughly enjoyed watching you!

OPAL Update - This week we introduced a wheeled zone to our OPAL playtime offer. The children now have access to scooters, skateboards and bikes. We have spoken about the risks involved and the children have come up with ways that we will manage the risks:

- Scooters, skateboards and bikes are used in the court
- There is a one-way system
- There is a waiting zone
- One year group can access the area each day (while it is new and exciting)

We have quite a few scooters and bikes for KS1 and YR children. Please look out for larger bikes and scooters on free sites or keep us in mind if your child is growing out of their bike. Your donations are key to the children being able to have a brilliant lunchtime.

Golden Wellies Award - This week it is a big shout out to all of our YR children who played super sensibly with the scooters and bikes. They were the first year group to be able to use the new wheeled zone and they thoroughly enjoyed themselves!
