Weekly Bulletin

Summer Term 2026, Week 2

Woodland Skills - This half term our Woodland Skills focus is all about using tools. Please see the letter that was sent home at the start of the week for full details and the dates for each class. Just a reminder that all children will need to come to school wearing appropriate clothing when it is their turn, with their outdoor shoes/boots in a separate bag. Children should **not** be wearing jeans, as they get cold and damp very quickly.

KS2 Cricket Festival - This week some of our Y3 and Y5 children got to attend a festival being held at Old Woking Cricket Club. This is the first time that this event has been held and we were invited to take part due to our recent involvement in the 'Chance to Shine' cricket initiative. The children had a great time and were able to learn new skills and put them into practise at the end of the morning. We hope to be invited back next year!

Morning Drop-Off - This can be a very busy time at both gates. In order to help us, please can we ask that once you have dropped your child off, please can you move away from the gates, clearing the area for the next set of parents. This is especially important at the gate by the Nursery, as this is where we are welcoming in our youngest children each morning. Also, please be mindful of blocking the entrance with buggies, prams and bikes - this makes it very difficult for staff to have clear sight lines and be able to help the children.

YR Pick-Up Area - Just a reminder that the grass (including the slope itself) and the area by the Nursery perimeter are not a play area. Please ensure all younger siblings wait with you and that once you have collected your child, you leave the area promptly.

Term Dates 2026-27 - Just a reminder that Surrey are changing the holiday dates for the academic year 2026-27. They are introducing a two week October Half Term and reducing the length of the summer holidays. We have now finalised our 5 INSET days and all dates are available on the [website](#) for you to see.

OPAL Help - Next week, we are going to start Scavenger Hunts at lunchtime and during OPAL after-school club. We want the children to experience and enjoy nature. Could you help us by donating empty match boxes and/or egg boxes?

Golden Wellies Award - This week we have had three girls in Y2 who have worked together brilliantly to create a shop out on the playground. Each day they have had new customers visiting the shop to buy their stock, using the currency of leaves! It has been absolutely lovely to watch. Very well done to Millie, Daisy and Pia.
