Weekly Bulletin

Summer Term 2026, Week 3

Lateness - Being late to school can have an adverse effect on children. Not only is key learning missed, but arriving after the start of the day is unsettling and can lead to anxiety.

Did you know:

- Being **5 mins late** everyday = **3 school days lost**
- Being **10 mins late** everyday = **6.5 school days lost**
- Being **15 mins late** everyday = **10 school days lost**
- Being **20 mins late** everyday = **13 school days lost**
- Being **30 mins late** everyday = **19 school days lost**

Parking - Parking around the school site is incredibly tricky. In order to help with the situation, we need all parents and carers who drive at drop-off and pick-up to support us.

Please do not:

- Drive recklessly
- Speed
- Block the roundabout near the Nursery pedestrian gate
- Park illegally, including blocking the driveways of local residents and parking on the zigzag lines
- Park in Egham Bowls Club - this is private property and has an ANPR system in operation

Please do:

- Keep the slip road up to the main school gates completely clear at all times - it is narrow and is used as a pedestrian walkway

We have an agreement in place with Egham Orbit Sports Centre, who will allow parents to park in their car park at school drop-off and pick-up times, meaning that you can walk very quickly through to the school gates. Please can we ask that parents use this facility. The local police and Runnymede Borough Council are aware of the parking situation and regularly support the school.

Friday Treats - A reminder that on a Friday, children are able to bring a treat to school to eat at morning break. However, these need to be small and appropriate, eg. a chocolate biscuit bar (penguin, Kit Kat, etc.) Family size chocolate bars, large packets of crisps and lollipops are not allowed.

Golden Wellies Award - For the last couple of weeks the children have working together to create dens out on the field. Some of them are amazing and very imaginative. A special mention to Jesse in Y4 who has been a real role model to others - sharing, collaborating and really having fun, well done!

Coming Up Next Week:
