Weekly Bulletin

Summer Term 2026, Week 5

Y6 SATs - This week has seen our oldest children take part in the national testing that happens across the country every May. We're incredibly proud of all the children who have shown true resilience and determination this week. Yesterday afternoon they celebrated the end of the assessments with a well-deserved BBQ and today have been letting their hair down a little!

Class Photos - Just a reminder that next Monday (18th May) the class photos are being taken. Please make sure all children are in the correct uniform and have their school jumper with them.

Birthday Books - A great way of supporting our reading resources in school is by buying a 'Birthday Book' when it's your child's birthday. As the book arrives into school, it is labelled up with a special bookplate and presented back to your child in assembly. They are then able to take it back to their classroom book corner to share with their friends. Thank you to everyone who has supported this recently - we have received some lovely books which we're very grateful for. If this is something that you would like to support, then the year group lists are available [here](#).

Golden Wellies Award - A special mention this week to Aashi and Lakshita in Y1. We have been encouraging the children to take part in scavenger hunts at lunchtime for the last couple of weeks, and these two girls have shown some amazing scavenger hunt skills - well done!
