

Manorcroft Primary School

Weekly Bulletin

Summer Term 2026, Week 7

Project Launches - It has been a busy first week back after half term! Each year group has launched their new cross-curricular project and there have been several exciting enrichment opportunities across the school. YR used their outside area to 'go to the beach' today. There were rock pools, paddling pools, deck chairs and ice lollies to be seen, and just like any other day at the British seaside, the weather was a little changeable! On Tuesday Y1 were dressed as Victorians as they learnt all about what school might have been like 125+ years ago - very different we're told! Wednesday saw our Y3 children embracing all things Roman as they dressed up and spent the day making Roman shields, ready for battle. Finally, yesterday saw our whole school 'World Environment Day' focus and there were lots of exciting activities happening right across the school. A really busy first week back, so a huge thank you to the staff team for all their hard work.

International Day of Play - Next week on Thursday 11th June, we are celebrating the International Day of Play. The theme this year is **Play 31** which promotes and celebrates children's right to play. Article 31 of the UN Convention of the Rights of the Child mandates that governments must respect and promote children's rights to engage in play, recreational activities, and cultural or artistic life. We are celebrating at school by giving all children 31 minutes of extra playtime!

Online Safety Update - We've been made aware that a horror game franchise, officially rated PEGI 16, is reaching children as young as primary school age through social media, other gaming platforms and even toys. Most adults remain unaware of what the game actually contains or its dangers. Please [click here](#) to read more about 'Poppy Playtime' and things to look out for when your children are online at home.

Golden Wellies Award - A huge thank you to Charlie in Y1 who was super helpful when it came to time to 'deconstruct' the dens on the field. He single handily carried all the loose parts and put them away and was a role model to other children. Well done!

Coming Up Next Week:

- Monday: Y1 Phonics Screening Check
Y4 Multiplication Tables Check
Y5/Y6 Cricket Trip to The Oval
- Tuesday: Y2 Science Workshop
KS2 District Sports
- Wednesday: Y2 Swimming
- Thursday: International 'Day of Play'
- Friday: PTA Father's Day Shopping Room
Y3 Belfast Class Assembly, 2.45pm

OPAL Stay & Play
Friday 19th June - KS2
Friday 26th June - YR & KS1
Come along after drop-off and see OPAL in action. A great opportunity for your child to show you just how much fun playtime is!
