Weekly Bulletin

Summer Term 2026, Week 8

District Sports - On Tuesday, 42 children from KS2 went off to compete at the annual District Sports Athletics event. There was a lot of competition and everyone did their absolute best for the team. There were some excellent individual performances, particularly in the field events and some great relay races. Overall, we placed 6th which was pleasing and the places from 3rd to 6th were very close.

The standout mention has to go to the Y3 team who won their age group competition, with some great individual performances and a very fast mixed relay team. Huge congratulations to: Harrison, Louis, Ronnie, Max, Flo, Millie, Sienna, Emilia and Harper. Our children were excellent ambassadors for the school and had a great day. Thank you too to those parents who came and supported the team, we know that this means such a lot to the children to have you there. *Mrs Whittingham*

International Day of Play - Despite it being a little wet yesterday(!), we hope the children enjoyed their extra 31 minutes of playtime. The whole staff team helped to make it happen and the children could be seen in the mud kitchen, fairy garden, den building, transporting each other, engaged in role play, exploring small world play; the list goes on. Don't forget, all parents can see OPAL in action too by coming along to a parent 'Stay & Play' session. Dates below.

Woodland Skills - This half term our Woodland Skills focus is den building. Please see the letter that was sent home at the start of the week for full details and the dates for each class. Just a reminder that all children will need to come to school wearing appropriate clothing when it is their turn, with their outdoor shoes/boots in a separate bag. Children should **not** be wearing jeans, as they get cold and damp very quickly.

Wonders of the Wild Competition - Thank you so much to all the children who entered the photography competition linked to World Environment Day last week. We had over 80 entries across the school and the standard was incredibly high. Very well done to our winners as follows:

YR - Eleanor, Y1 - Oscar, Y2 - Samuel, Y3 - Hayden, Y4 - Chloe, Y5 - Annabelle, Y6 - Suriya

Golden Wellies Award - A big thank you to Amrit, Isabelle, Amelie and Eliana in Y5 Swansea this week. They all helped Mrs Tree-Patel to build our new fairy garden area, complete with a bridge!
