Weekly Bulletin

Summer Term 2026, Week 10

Heatwave - A really big well done to all the children (and staff!); everyone has coped brilliantly this week despite the high temperatures. We've managed to have some fun along the way too - outdoor lessons in the shade, admiring the plethora of handheld fans available on the market, playing in the water, using the hose pipe to cool down, and a really big shout out to the PTA who have supplied us with 900 ice pops this week! Our new play frame has also been installed, and incredibly the contractors have continued every single day, despite the temperatures. We're hoping it will be finished next week.

Monday 29th June - Back to normal next week. Please can all children return to school in their school uniform and bring their PE Kits in to hang on their pegs. All children will be expected to attend all day.

Clubs - Just a reminder that all extra-curricular clubs finish next week, with Friday 3rd July being the last day (the exception is Drama which will finish on Monday 6th). Breakfast Club and XT Club are continuing to run as normal, right up to the last day of term. XT Club will also be offering summer holiday camps - please book [online](#) directly with them.

Goodbye & Good Luck - Naturally, the end of a school year is a time where we sadly need to say goodbye to different members of the staff team. This year we will be wishing the very best of luck to both Mrs Whittingham and Mrs Williams, both of whom are retiring at the end of term.

Mrs Williams has been a Learning Support Assistant at Manorcroft for over 20 years, with the majority of this time having been spent in Early Years. We can almost guarantee that she will have supported nearly every single child in the school as they began their journey!

Mrs Whittingham has been part of our team for 12 years and retiring this summer brings to an end an almost 20 year teaching career. We can't thank her enough for everything she has done for PE over the years, truly putting Manorcroft's name on the map!

We wish them both the very best of luck for the future, whatever they have planned; and over the next few weeks there will be lots of different opportunities to thank them and say goodbye.

We will be welcoming Mr Palacios to our staff team in September and he will be joining us on 'Moving Up' morning in a few weeks' time.

Golden Wellies Award - This week we are awarding the Golden Wellies to our incredible LSA team who have been amazing outside at lunchtimes, keeping the children safe, hydrated and ensuring lots of rest breaks in the shade. Thank you to every single one of them.

Top Tidy Up-ers! - Congratulations to Y3 Belfast & Y4 Durham who collected the most stars in their jar this time around. As a result of great team work and amazing tidying-up at lunchtime, both classes will have their own extra OPAL session next week.
