Weekly Bulletin

Summer Term 2026, Week 11

YR & KS1 OPAL Stay & Play - Thank you once again to all the parents who came along this morning for our OPAL 'Stay & Play' session. We really hope you enjoyed the opportunity to play with your child - it was fantastic seeing parents climbing the barrels, digging in the sand, hula-hooping, riding a scooter, the list goes on! You've all jointly won the Golden Wellies award this week!

Sports Morning - Yesterday we held our KS2 Sports Morning and a big thank you to the incredible support provided by our parents and carers who came to watch. Very well done to Red House who were victorious - we've added the ribbon to the trophy! Also a big thank you to Mrs Whittingham for organising and putting the morning together; thanks to our Active Sport coaches for giving up their time and a big shout out to the PTA for providing the ice lollies at the end - much appreciated!

Moving Up Morning - We will be holding 'Moving Up' morning next Monday, 6th July. Here the children in current YR - Y5 will have the opportunity to spend the first part of the day in their new classroom meeting their new teacher. Together they will be able to talk about some of the things planned for the next academic year as well as completing different transition activities. After morning break all children will return to their current classrooms.

During the course of the day we will email home to all parents a welcome letter specifying the new class details, the curriculum projects for Autumn Term 1 and things to remember to bring to school in September. Before the end of term, we will also provide you with an overview of which teacher will be working with which class in the new academic year. As expected, staff move around, and there will be some new faces joining the team.

Annual School Reports - All school reports will be emailed out to you from the 6th July onwards - if you would like a paper copy, then please speak to the Admin Team. If your child has undertaken any statutory assessments this term, then the data will be emailed out at the same time, with the exception of Y6. This will be sent out closer to the end of term.
